Stuff the Bus Supply Drive

The 4th annual community-wide Stuff the School Bus drive concluded August 6th. The drive was a wonderful success! Thanks to the 40 enthusiastic volunteers who helped at Wal-Mart collecting school supplies and to the 23 enthusiastic volunteers who helped count and sort supplies, and deliver to Franklin County schools. Thanks also to the area businesses, CVS, Dollar General (Decherd), Food Lion, Fred's, Middle TN Respiratory and Wal-Mart, that provided space for collection boxes. The people of Franklin County donated 3,840 items to help children who cannot afford to buy the supplies they need for school! Thanks so much! Our community LIVES UNITED!

Shaw Industries Helped Stuff the Bus

Shaw Industry's employees collected school supplies for United Way's annual Stuff the Bus event. Supplies were collected company wide prior to the main collection day at Wal-Mart. Agency News

Campora Family Resource Center

What two clients have to say about Campora Family Resource Center's Anger Management Program:

"This class has given me a positive attitude toward life. I've learned that you don't have to be great to start; you have to start to be great. I wish that everyone at the high school could have this class because it helps with all different kinds of problems. You do a

really great job." – Kim
 "I am confident in myself. I learned how you can get upset and not hurt anyone. It has made me a better person and also it made me do a whole 360 to come back to the Lord. I am confident, a stronger person, feel better about myself, and understand other people have feelings to. Enjoyed the people that were over the class." - Peppy

Good Samaritan Ministries

Despite the pouring rain, Good Samaritan Ministries joyfully distributed 135 Christmas food boxes to clients the week before Christmas. Fifteen additional boxes were filled and delivered to Good Sam's clients from Estill Springs by the Estill Springs Fire Department and Faith Baptist Church. Volunteers spent one day packing and one day distributing the boxes. Fourteen adults worked diligently to help make the process a success, and

twelve students took the opportunity to complete community service hours. Many hungry families were blessed with food for Christmas this year because of community donations and people with the heart to help!

Together we can!

It is hard to believe that another year is coming to an end. With that, our hearts and minds are filled with thoughts of the holidays, family, friends, and good will toward those who are less fortunate than us. This causes us to take time to reflect over the past year.

Last year in Franklin County, over **10,800** people's lives were touched through the services of United Way of Franklin County's 20 partner agencies. This amazing support for our community was accomplished through generous donations and the dedicated service of people who care.

We would like to say "thank you" to all those who supported United Way in 2011 with financial contributions, as well as volunteerism. Franklin County is a very giving community and an awesome place to live!

We wish you many blessings for the New Year!
